

Gas award to Maldon Salt

Maldon Crystal Salt have won an award for their contribution towards energy conservation. Mr Clive Osborne, the managing director, above, received the Gas Energy Management Award for 1981 for the energy conservation in the more efficient use of gas in industry.

The company had replaced a solid fuel heating system with gas burners used in the evaporation to make salt. This change resulted in a 25 per cent reduction in fuel used.

Maldon and Burnham Standard, Thursday, October 8 1981
