

Loved by chefs the world over

NEW PACKAGING

For 130 years the distinctive shape of our pyramid crystals has always been our company trademark, celebrating the unique quality of our SOFT CRUNCHY FLAKES.

The new packaging design reflects our rich history with a fresh, clean, modern feel, found only in THE ORIGINAL sea salt flakes.

Maldon has been bringing recipes to life and balancing flavour since 1882, and we will continue to make every meal memorable for generations to come.
